

START BUILDING THE FOUNDATION OF STUDENTS THROUGH SOCIAL AND EMOTIONAL DEVELOPMENT!

Pretest/Posttest
GRADES 1-12

STOP

Assess students' social-emotional learning competency through measuring Self-Awareness, Self-Management, Self-Regulation, Grit, and Social Skills.

THINK

Interpret and utilize student data through comprehensive reports that are easy to understand.

ACT

Armed with rich data, formulate decisions that will integrate social-emotional learning in teaching and learning.

ASSESSMENT OF SOCIAL AND EMOTIONAL COMPETENCE

” It's time for us to
STOP. THINK. ACT.
Take the **ASEC!** ”

ASEC is a non-cognitive assessment designed to gauge students' level of social and emotional learning through quality scales and tools that measure skills necessary for blended learning.
