# PASSTEST

**MATATAG COMPLIANT**

Performance Assessment of Standards and Skills (PASS) is a set of standards-based assessment tools that measures students' mastery and proficiency of the K to 12 and Matatag standards in the subject areas of English, Mathematics, Science, Filipino, and Araling Panlipunan.

## PRETEST
**Start of School Year**
Individual Profile Report
Class Report
School Report

## POSTTEST
**End of School Year**
Individual Profile Report
Class Report
School Report

## PURPOSE

The year-round assessment of student performance shows the complete picture of student progress and documents learning changes happening in the classroom. From end-to-end assessment, teachers can easily document student learning and chart their improvement in class.

## PASS Key Features

### PROFESSIONAL DEVELOPMENT

**Offers data utilization session:**
- *Gain insights into your assessment data and learn how to use it to improve teaching and learning.*

**Centralized training with CPD points:**
- *Participate in centralized training for teachers, psychometricians, guidance counselors, and earn CPD points.*

### REPORTS

**With pretest-posttest tracking at individual level:**
- *Track each student's progress over time.*

**Student-friendly report with narrative descriptions:**
- *Provide students and parents with easy-to-understand feedback.*

**Other special reports to meet your specific needs:**
- *Get tailored reports like correlational analysis reports and institutional assessment reports upon request.*

### TEST TAKING EXPERIENCE

**Parallel forms of test booklets during pretest and posttest:**
- *Prevent practice effects and get a more accurate picture of student growth.*
